Re: Parking in Town of Ocean City Municipal lots and the area of Beach Patrol Headquarters
Date: Monday, May 9, 2011

If you own a vehicle and wish to park in the lot at 109 Dorchester Street (Tenants of the "Tarry-A-While Guest House" or 110 Somerset Street) or in any Municipal lot you must display a valid parking permit issued by the Beach Patrol. Specific rules and regulations regarding parking will be given to you when you receive the permit.

Beach Patrol personnel assigned to work at Headquarters may park in either Beach Patrol parking area. These areas are located at the northeast corner of Somerset Street and Philadelphia Avenue and at 109 Dorchester Street (Across the street from "Tarry-A-While" in front of OCBP headquarters).

Tenants of the "Tarry-A-While Guest House" or 110 Somerset Street may only use the parking area that is located at 109 Dorchester Street and is marked for "Official Beach Patrol Parking." This parking area is available on a first come basis and is not an amenity of the "Tarry-A-While Guest House" or 110 Somerset Street. This is used for your registered personal vehicle and is not transferable and is not for your visitors. **DO NOT DOUBLE PARK!** Each vehicle must be able to leave the parking area. If this lot is full you **MUST** find another legal parking space for your vehicle.

Municipal parking lots are available during working hours for working employees only. If you wish to use either of these parking areas you must complete this form and a parking permit will be issued.

I am applying for a Beach Patrol parking permit so that I may park in designated areas at specified times. I understand I am required to abide by all aspects of the parking policy. I also understand that if I violate the policy, I may have my parking permit revoked and/or affect my OCBP employment.
